# The 2008 Yearbook DEDICATION

TO...

Mr. Dillon!

Mr. Dillon!

Mr. Dillon!

Mr. Dillon!

Mr. Dillon!

Written and presented at Class Day, on behalf of the Class of 2008,  
by Belle Cushing and Maggie Emerson

**F**our years ago, I walked into the old high school a wide-eyed, terrified freshman. After an overwhelming day that consisted of navigating a seemingly unorganized building, dodging looming senior boys with beards, and trying not to get my head wet from the dripping ceilings, I walked into my F block class and was instantly comforted by the presence of the man at the front of the room. His gentleness and calm were exactly what I needed at that moment. He has meant a lot to me, and I have come to realize how much he means to the Westwood High School community, as a whole.

He is a teacher, a coach, a mentor, a historian, and a quietly strong and steady presence. The yearbook dedication is the Senior Class's last formal opportunity to give thanks. As we leave this high school, we thank someone who is also leaving Westwood. This man's gifts to us have prepared us for our next steps in life, and so, as a parting gift of our own, we hereby dedicate the 2008 Yearbook to Mr. Brendan Dillon.

Seeing him every day, some of you may think you know Mr. Dillon fairly well, right? But this man has had an incredible life that I am sure many of you will be surprised to hear about. Mr. Dillon was born in Ballydesmond, Cork, County Cork, Ireland, where he grew up and went to college. He came to America on a vacation, and liked it so much that he decided to stay.

As a young man, he held jobs as a gas station attendant and a longshoreman. One day he got on a Greyhound bus headed south, and ended up in the Bahamas, where he taught at a poor school. It was there that he met his wife Maryann. The couple moved to Mrs. Dillon's home-state of Iowa in 1974, where Mr. Dillon taught at a farmland high school. Ten years later, they moved east, and he started teaching at Xaverian. He earned his master's degree at McGill University and the University of Massachusetts at Boston.

Westwood High School was lucky in 1992, when Mr. Dillon decided to work here and join the Social Studies department. He was a significant contributor in the creation of the Westwood High governance system. Additionally, Mr. Dillon has coached the Chess Team and the Varsity Girls' Softball Team. He has led many student groups in overseas travel. He has also helped other teachers to grow by teaching professional development courses and serving formally and informally as a mentor. In 2007, Mr. Dillon was the first recipient of the Wolverine Teacher of the Year Award.

Any student in freshman year World Civ may remember Mr. Dillon's timeless tale of the blind men and the elephant, which teaches us to appreciate different points of view of history. The fable chronicles six blind men who are asked to describe an elephant by the way it feels to each of them. As each man feels a different part of the animal—one an ear, one a leg, one the trunk, and so on, they begin arguing over what it is that is in front of them, before realizing that they are all right. Well, I don't know if you've heard the lesser known story of the students and the history teacher.

There were 203 graduating seniors at Westwood High School, given a task to choose one person to whom this yearbook would be given. Among all the well qualified options, one stood out from the rest, and though he is one man, he is something different to everyone.

The first students reflected that upon entering the building as freshmen, they saw him as a teacher. They described what they encountered:

Ryan Fitzgibbon said,

"Mr. Dillon has a relentless attitude when it comes to helping students. He genuinely cares about his students' well-being and their academic success. Additionally, he fosters and encourages his students to strive towards their intellectual limits."

Aly DeCamp said,

"He has worked with his students so that each one can succeed and has opened us to a massive world of knowledge."

And Amy Reynolds said,

"He is an amazing teacher and person as a whole and leaves his mark on every student he teaches."

The second group saw him after school, dedicating his personal time to his students' nonacademic pursuits.

Russell Travers said,

"He is at all sporting events and is an avid wolverine fan."

And Greg Goodfellow said,

"He gives so much of his free time to 'We the People', softball, chess team, and other extracurricular activities."

The third group saw him as a wise mentor who invested in their growth as students and people.

Alley Kay said,

"It is apparent through [Mr. Dillon's] relationships with his students that their success is the most important thing to him."

Gina Pizzano said,

"He has been a support system for his students"

And Hanna Cutler said,

"Mr. Dillon is a kind and intelligent person who challenges students to be the best they can be."

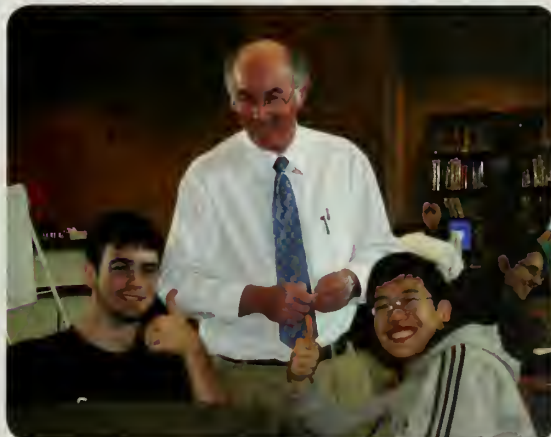

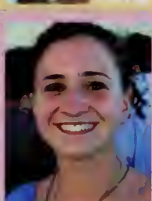

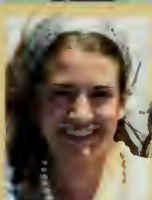

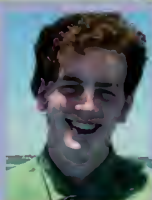

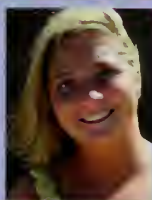

And so these voices together captured one man with many great qualities.

Simply put, as Dan O'Connor says,

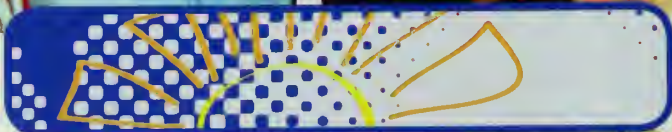

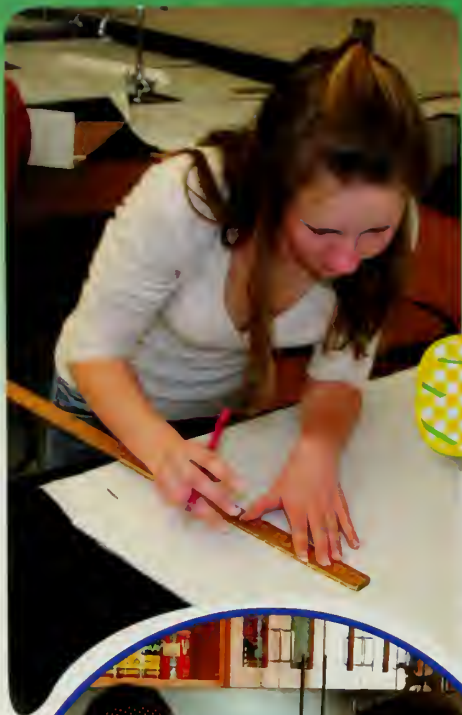

"Nowhere will you find a more decent human being."

From Mr. Dillon, we have learned to approach every situation with an open mind, to not "miss the motorcycle" or "throw the baby out with the bathwater." He has been an inspiration inside of the classroom and out, and a source of guidance for all who walk through the doors of Westwood High.

We dedicate this yearbook to Mr. Dillon because he has fully dedicated himself to us, and to our success. Thank you. You will be greatly missed.

The Legislative Council consists of elected members of the student body, faculty, and community, and meets twice a month to review and discuss important issues in the Student Handbook and WHS constitution. In May the council held a vote to rewrite the constitution's rule about class meetings, and throughout the year, it organized voter registration drives. The Student Advisory Board consists of the students from the Council. This year, the SAB organized Social Awareness Month which, included Diversity Day, and worked with SADD to present a moving pre-prom assembly.

## Legislative Council

FRONT ROW (L-R): Hannah Park, Belle Cushing, Liz Arpino, Veena Dronamraju, Laura Maloney, Erica Sweeney, Molly McLaughlin; BACK ROW (L-R): Marina Shkuratov, Michelle Beatty, Omar Hadzipasic, Greg Thompson, Dan O'Connor, Nicole Campion, Rebecca McClellan, James Looney, Erica Nangeroni, Jake Indursky, Shayan Salam

Student Council's role is to encourage school spirit in the WHS community. The Council meets evenings to brainstorm and organize fun activities for the student body. This year Student Council successfully planned several events, including, the junior versus senior girls' football game, a pep rally which celebrated the varied achievements of students, and the first ever "Fall Ball" semi-formal dance. In April, the Council hosted Spring Fling Week featuring Movie Night in the cafeteria courtyard and numerous dress-up days (see photos on pages 158-159.) Additionally, Student Council also arranged a Prom Prize Package Raffle.

This year "Green Years" had a challenging start. The previous year's yearbook had been produced by a design class, rather than an extra-curricular club, and it had won national awards! Yearbook '08 had big shoes to fill. Back to club status, and with no experienced members, Yearbook '08 slowly took root and, by spring, blossomed, thanks to a core crew of dedicated, creative, and organized students (and a well-stocked pantry!) Maggie Emerson and Belle Cushing represented the graduating class well, putting in long hours at Yearbook Headquarters, and writing and delivering the yearbook dedication at Class Day. Juniors Abby Sayeg, Kayvan Tauran, and Krista McGinnis contributed significantly to the creative and logistical work, and Freshman Ailyn Pestana magically kept the whole operation running. Of course the "Green Years" staffers are fond of green, but PINK - as in the color of a highlighted finished page - is what really makes them smile. ENJOY OUR FINISHED WORK!

# National HONOR SOCIETY

National Honor Society is a prestigious group of students who are admitted based on a minimum GPA requirement and an application process. The Class of 2008 had seventy-six members, led by Mr. Geary and the elected officers: President Belle Cushing, Vice President Marianna Sayeg, Treasurer Jill Greenberg, and Secretary Laura Maloney. The group helped at graduation and parent-teacher conferences, organized a blood drive and participated in a variety of other service projects in order to complete the required 55 hours of service. Seventy-two juniors were inducted as new members in May. The induction ceremony featured faculty speaker Mr. Jim Giurleo, as well as speeches on the four values of NHS: scholarship, leadership, character, and service, by Afsheen Sharifzadeh, Patrick Maher, Julia Kane, and Nicole Campion, respectively.

Afsheen Sharifzadeh

## SCHOLARSHIP

"One of the major criteria of scholarship is genius. By genius, I do not mean to denote the conventional definition of the term, which is an individual with a high IQ. We are all geniuses if we pursue knowledge, and therefore truth, for fortitude and confidence."

Julia Kane

## CHARACTER

"You develop strong character by emulating role models, having the courage to face failure and learn from it, constantly challenging yourself to improve, and trusting yourself to know what is right and then standing by your convictions."

Patrick Maher

## LEADERSHIP

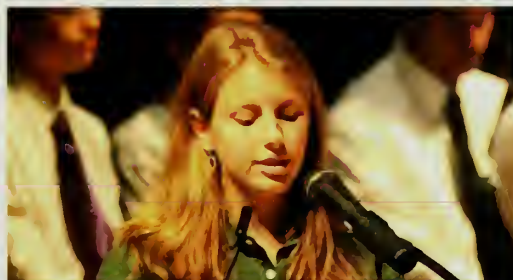

"I encourage each and every one of you to rise to the challenges of leadership positions. You are all role models, and certainly have the skills to lead. Now is your call to go out and prove it."

Nicole Campion

# Project Empty Bowls

In April, National Art Honor Society hosted the 3rd annual Project Empty Bowls event to benefit the Greater Boston Food Bank. This was the first year that Empty Bowls was integrated with the annual Encounters with the Arts evening. Students, parents, and community members each donated \$10 to support the good cause and join the fun. Guests gathered in Cafe West, chose one of the beautiful student-made ceramic bowls to take home, and were treated to make-your-own ice cream sundaes. NAHS students worked after school for months to prepare for the event - planning, creating decorations, and, most intensively, forming and glazing the hundreds of ceramic bowls. The turnout for the evening exceeded expectations and the National Art Honor Society was delighted to give the proceeds, over \$1300, to the Greater Boston Food Bank.

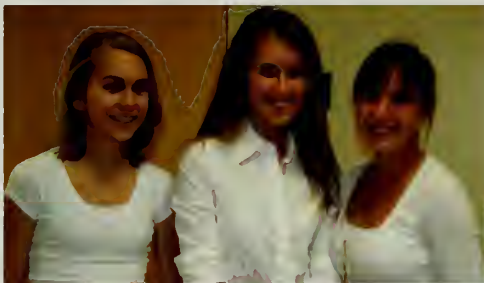

# Encounters with the Arts

Encounters with the Arts is an annual showcase of students' work in the visual and performing arts. This year the Arts Wing was transformed into a gallery displaying works created in all classes, from beginner to advanced. Students demonstrated art-making processes, like the potter's wheel and painting. Drama students performed short works in the Auditorium and Little Theater and music groups (both from classes and extracurricular clubs) performed a variety of pieces, from classical to contemporary. The addition of Project Empty Bowls to the Encounters event added lots of fun, and lots of ICE CREAM.

# MEDEA

Chilling, brutal, horrific, and yet beautiful is how one would describe what came from the stage as Euripides' play, Medea was presented by the Performing Arts Department. The Greek Chorus watched, struck and dismayed, as the horror of Medea's story unfolded. The world of the play: a series of ramps and platforms and the costumes, a collection of blues and grays, except for Medea's red, created a stark environment in which the cast brought the play to life. Powerful performances by Belle Cushing (Medea) Evan Rees (Jason) and Cian Smith (Aegeus) led the way. Blood ran cold as the Messengers, Julia Nagle and Madeline Bugeau-Heartt told of the horrors Medea's children inflicted upon Glauke and Creon (Brian Molloy.)

"Once in the Highlands...two weary hunters lost their way." What they found was the enchanted village of Brigadoon. A town full of kilt wearing-Scottish accented singers and dancers all looking for love (naturally!) surrounded the heartwarming story of Tommy (Evan Rees) as he finds love and peace with Fiona (Belle Cushing.) While Tommy and Fiona were the center of the story, it was Jeff (Cian Smith) and Meg (Chelsey Ristaino) who kept the audience laughing all night long, and a tender song from Jeanie (Kristina Maimonis) about her joyful husband to be, Charlie (Brian Molloy) brought a smile to many audience members' faces. The show was a hit for all who saw it. The Dancers and Singers reminded us that the world can slow down and be wonderful if we take the time to care about each other. As the school teacher Mrs. Lundie (Hannah Hammond) told Tommy, "Tis the hardest thing in the world to give everythin'; even though 'tis usually the only way to get everythin'": a lesson well learned by all who got lost in Brigadoon.

# Girls' FOOTBALL

The much anticipated Girls' Football game was a nighttime face-off between the junior girls, ready to score in camouflage, and the seniors, rocking the pink and black. After a game filled with stellar coaching by boys' varsity players, impressive plays executed by both sides, and enthusiastic team spirit, the seniors came out on top, retaining the SENIOR CHAMPION title.

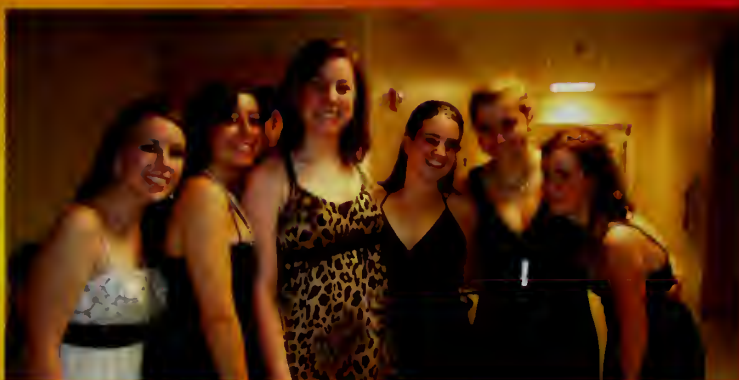

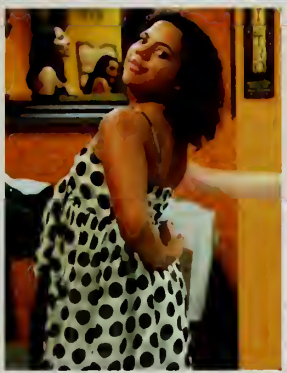

# The... FALL BALL

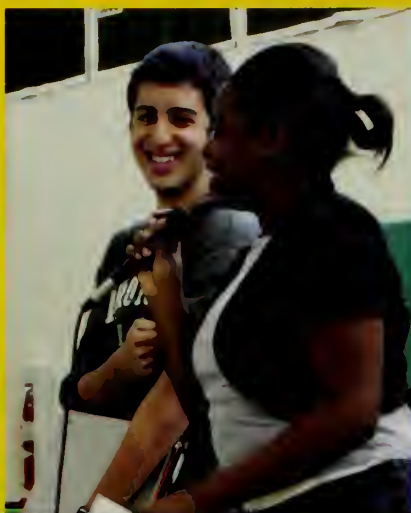

In November, Student Council sponsored the Fall Ball, the first semi-formal dance at WHS in many years. Cafe West was transformed into an elegant ballroom by red and gold balloons, streamers, paper leaves and lights. Students traded their usual tee-shirts and jeans for dresses and dress shirts and heated up the dance floor to the high-energy spins of DJ Dougie Fresh.

The Unity Club sponsored a celebration of the diverse backgrounds and talents of WHS students. Performers danced, juggled, sang, and played musical instruments from various cultures. The event included everything from a hip-hop performance that utilized steel drums to a mock fight presented by the juggling club that showcased gravity defying acrobatics and traditional chinese yo-yos.

The Field Hockey team came out strong and ready to change their history. The girls started the season 4-1-0 with amazing wins over Bellingham, Sharon, Holliston, and Medway. As the season continued, they maintained their intensity and strong work ethic in practices and games. As a result, the team finished the regular season with an 8-3-7 record, and qualified for tournament - the first time in nearly a decade of WW field hockey history. The girls won their first tournament game, 2-1, against Pembroke, and then traveled to the Cape to take on one of the top seeded teams, Harwich. Although Westwood lost the game 1-0, it was an intense battle until the very end. The team played one of their best games and demonstrated the high level of skill and athleticism they developed over the course of the season. The 2007 Westwood Girls' Field Hockey team, coached by Ms. Wilson, is one that will be remembered for its intensity, spirit, and athleticism.

# FOOTBALL

Captains Connor Walsh and Sean Grandfield led the 07-08 football team to a 7-3 record and a tied finish for second in the Tri-Valley League. The Wolverines started off the year with a 25-8 win against out-of-league Austin Prep. In the next game they slipped with a 6-7 loss to Ashland, but bounced back the next two weeks, with dominating 20-0 wins against both Millis and Norton. Then came the rival: Bellingham. With seven minutes left in the game, Bellingham was ahead 14-0, but the Wolverines rallied for 20 points to win the most emotional game of the season. Westwood rode the wave of success with wins against Dover-Sherborn and Medway (with another come from behind victory, 15-12,) then came up short with a 14-7 loss in the highly anticipated Medfield game. After this loss the Wolverines dropped another one in Hopkinton, going into double overtime. Finally, Westwood faced Holliston which was looking for the Thanksgiving win to cinch the league title. But, the underdogs, Westwood, had other ideas. The Wolverine's 28-14 win made for a great Turkey day and an amazing way to end the season.

With a home pool for the first time in three years, adequate sleep (thanks to afternoon, rather than early morning practices,) many new members, and a lot of work, the girls' swim team achieved incredible success this season. Coach Sparks returned, bringing with her a fellow math department member and fabulous coach, Mrs. Ferguson. With nine seniors leading the team, each member of the squad of over 40 girls improved tremendously. The 200 medley relay of Chubet, Nanna, A. Shea, and Steeves placed 7th in States. By far the most memorable moment was a thrilling end to the season, when the girls won first place in the division at conferences, walking away with the title of Southern Conference Champions.

This year there were 12 new runners on the girls' cross country team roster, five of whom became varsity athletes. New coach Jennifer Teehan led the team to a much improved record of 5-3. The team achieved several victories on the newly established course around Westwood High School. The most memorable meet for the girls was Medfield, with its heartbreaking "hospital hill", which climbs over 800 meters. Tri-Valley-League all-star, Laura Teehan, placed 11th at the TVL meet and 31st at the Massachusetts State Meet. Laura Brooks placed in the top 100 in the Massachusetts State Meet and was a consistent contributor to the team. The rest of the varsity girls, including Kim Pettit, Anna Ribas, Anna Koban, Lauren Hall, Julia Kane, Kim Muellers and Sophie Karpf, were strong performers and helped the team throughout the season. As the members of the XC team grew stronger, they also grew closer together and created many common memories: pasta dinners; dress up days; the camp-out where the pyramid was formed; singing on the bus; getting lost in the woods; and many more.

The Westwood girls' varsity soccer team had a very successful season this year. They made it to the tournament for the second year in a row with two upsets against Hopkinton. The team was led by captain Alex Frank, and seniors Christine McGrail, Erin Massimi and Jill Greenberg. Members of the team reflected that, without the leadership of the seniors, the team wouldn't have been as successful as they were. It was a very memorable season for the wolverines and all of the seniors will be greatly missed.

Boys' varsity soccer enjoyed a memorable and fun season, though the record, scoreboards, and fan base didn't meet the team's hopes. The team started the season very strong, coming back to tie Ashland 1-1 with just minutes left in the game. Unfortunately, that did not set the pace for the rest of the season. Captain Jesse Wolf spoke on behalf of the team to say, "Being coached by Eladio Sanchez was a privilege and a pleasure. There are few coaches capable of keeping a team with our record smiling, but somehow, sometimes with the help of his two sons, he always managed. Great season and thank you coach!"

The Westwood Boys' Swim Team came out with fire and determination. After five previous winless seasons, they knew they had something to prove. Veteran senior captains Eddie Perkins, Joe Neimann, and Matt Keaveney led the team to two glorious victories. The most memorable meet was against their rival: Milford. Going into the last race of the meet, the 400-yard freestyle relay, Westwood was losing by a few points, and they needed 1st and 3rd to win. The A and B teams, anchored by captains Joe and Eddie, respectively, were able to claim 1st and 3rd, and broke a five year losing streak. After an extremely successful season last year, the seven returning seniors looked to repeat their dominance in the TVL, while extending their run in the post season. Christening the Riley Winter Classic with a Westwood win, the girls sought to make their retiring coach proud all season. The task was made easier with Kanee Chlebda on the sidelines. In the state tournament, the team avenged last year's early dismissal with two wins over Ashland and Dedham, before falling to the eventual state champions, Archbishop Williams. The loss was not in vain, however, as senior Jill Greenberg scored her 1000th point in the defeat. One of the high points of the season was traveling to Medway to dominate the opponents after losing to them earlier in the season. This season especially, Riles taught the team many important things: basketball is a game of runs and we do in fact warm up at half time. Perhaps the most important lesson learned, however, came from the age-old classic, "Mighty Ducks": "It's not worth winning if you can't win big."

In their last basketball season at WHS, nine Wolverine seniors made it memorable. The Wolverines, who many thought were down and out in mid-January, shocked everyone but themselves with an exciting comeback.

They began the season 2-6, a stretch that included five losses in a row. Instead of folding at that point, the boys came together, with help from their senior leadership. By the end of January the Wolverines were 5-9. They needed to win five of six games to make the state tournament. None of the nine seniors will forget D-S and Medway at home, the X-men, Senior Night, and winning five of six to advance to the state tournament. The Wolverines made it happen and finished 10-10 to qualify for the tournament.

The winter season of 2007-2008 was a great kick off to new head coach, Dick Sullivan's, Westwood career. Losing 70% of last year's scorers, Sullivan had his work cut out for him. But with the help of distance coach, Jennifer Teahan, and throwing coach, Brian Sullivan, the trio led the team to a 4-3 record. At the Massachusetts State meet, senior captain Megan Lally finished 7th in the 2 mile, junior captain Sarah Mathews finished 6th in the 600, and junior Laura Teehan placed 7th in the 1000. The 4x4 team consisting of Misha Beatty, Anna Ribas, Megan Isberg, and Sarah Mathews, placed 2nd at the Massachusetts State meet, setting the school indoor record of 4:10.24. Sullivan's goal is to become state champions in 4 years; however, with the success the girls have made, it looks like it may be sooner.

This year was the first year with out the old coaching staff (Coach Beaumont and Manny); it was a successful transition. With several injuries and a few 'lost' players, the team did its best to stay alive. The girl unexpectedly beat Hingham after losing to them 10-2 the previous game, giving them their only loss of their perfect season. The team had a blast! Great job girls!

With 120 girls, the outdoor Girls' Track Team improved greatly from last year, with a record of 5-4. In scorching heat, or rainy weather, the girls were always outside practicing. The team achieved a substantial amount of success throughout the season, and had a great turn out at the Massachusetts State Meet. TVL-All-Star, Laura Teehan, placed 3rd in the 400 and TVL-All-Star Kathryn Martin placed 2nd in the mile. Freshman Tayla Allen placed 4th in the 100 meter dash and Freshman Nicky Pettit placed 5th in the 2 mile. The 4x8 team of Nicole Campion, Laura Teehan, Julie Moloy, and Kathryn Martin also placed 5th. There were many memorable meets throughout the season. There were a lot of fun times on the three busses that carried the large group of girls to the meets. Whether is be singing music, or flirting with guys from other towns, the girls were always having fun.

Each year the softball team has become stronger and has gone further in tournament, and this year was no different. The team started off the season with a first game win and continued on to win more games. A lot of the games were close, but in the end the Wolverines always came out on top. In the middle of the season Westwood reached its goal and made it to tournament yet again. The team had some forks in the road, but played their hearts out until the end, which was the first round tournament game against Old Rochester. The team vows that next year's tournament will be a different story!

The '08 baseball season has been the one that people have been waiting for. There were high expectations in the beginning of the year and talk of the playoffs. The team started off with a slow start but picked it up later in the season. The Wolverines' wins against Medfield, Dover-Sherborn, and Bellingham are some highlights of the season. The team finished 3rd in the Tri-Valley League with a record of 12-8 heading into the playoffs. The first playoff game was at home against Cardinal Spellman where the Wolverines won convincingly 5-0. Their next victory against Cahasset advanced them to face Nantuxet. The game was a battle until the end, but the Wolverines came out on top. Then Nantuxet tried to test the Wolverines and ended up getting rolled over with a win 15-2. The Wolverines made it all the way to the State Championship only to demolish Frontier Regional HS, 12-6.

# SPRING FLING

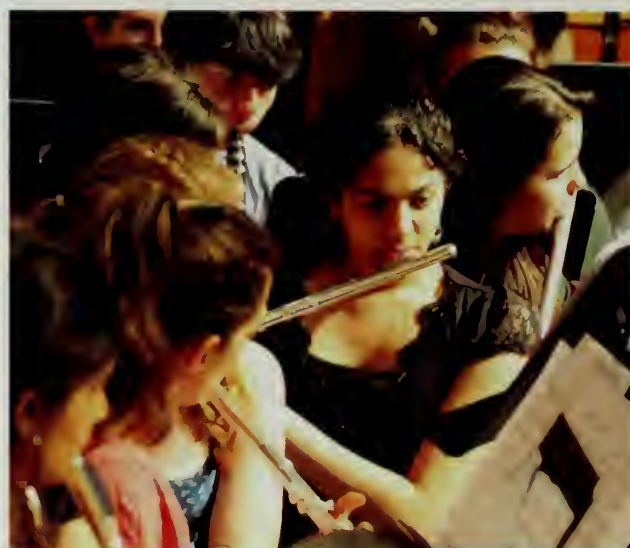

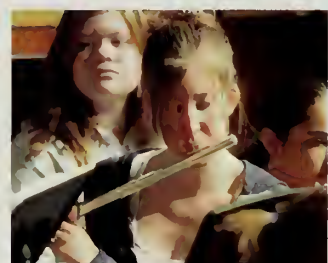

Bring on the Spirit! In April, Student Council hosted its annual Spring Fling week to shake-up the WHS routine and offer the student body a little extra fun. The week was packed with themed days and events! Students from all grades participated in "College Shirt Day" and seniors had an opportunity to show their new colors. On "Groupie Day" (wear a concert tee) there were lots more people wearing black than usual. For "Color Wars" Day, grades competed to represent their classes by sporting their identifying colors. On Movie Night students gathered in the courtyard to watch Academy Award winner, "Juno."

# MUSIC!

Westwood High School offers a variety of courses in which student musicians build their technical skills and develop their abilities to interpret and perform music. Numerous concert and special event performances throughout the year give students opportunities to synthesize what they've learned in the classroom. The two major performances, the Winter Concert and the Pops Concert, feature the Wind Ensemble, Concert Band, Orchestra, and Chorus, in addition to extracurricular musical groups like the Jazz Band and the a capella group, Passing Notes. WHS music groups play and sing a broad spectrum of music from classical, and jazz, to Broadway and rock.

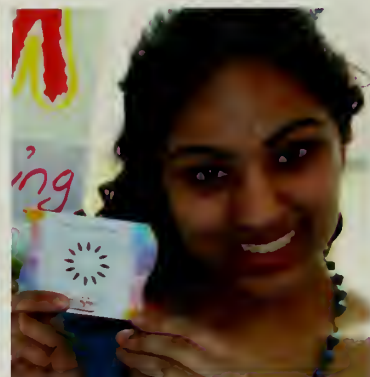

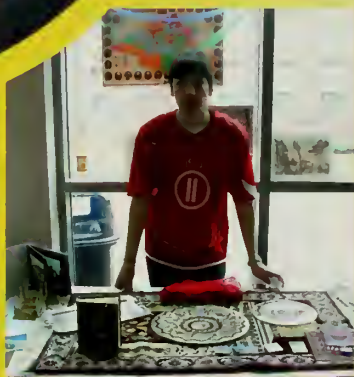

# DIVERSITY DAY

For one day every year, the hallway outside of the cafeteria transports students to countries all over the world. Students set up booths to showcase the many different cultures represented here at Westwood High School. This year participants shared everything from traditional costumes to musical performances, to examples of their culture's language.

I extremely enjoyed the hilarious moments in Spanish 3 Sophomore year. Biology with Mrs. Plunkett was a great time. Krystal, Gina, and I had a lot of fun... maybe too much fun with that Virus newspaper. We can't forget the Boldfacers... that was so random! Throughout the years, I have gained so many friendships and learned so many things. I am very grateful that I was given the opportunity to be part of the Westwood community.

## Alena Chubet

Being a member of Westwood High School has truly been an awesome experience. All of the teachers were incredibly supportive and showed that they really cared about our education. I will never forget times spent with my three best friends, Mary Connors, Maura Curran and Kristina Maimonis. They mean so much to me! Great times on the swim team, in band and of course TJB's class with Kristina Maimonis and Maura Curran...Go back, go back, go back!!

## Rachael Chyten

When I first came to Westwood High School, I thought it was so scary. Now I have to go to college. High school has become such a mundane part of my life, it feels so weird to say I am leaving it. I won't miss the long papers or late nights. I won't miss getting up early. But I will miss sprinting to Mrs. Brackman's class. I will miss the late night-summer walks, the 3 am ice-cream trips, and the random beach trips to Nantasket. Thank you Westwood, it's been fun!

I will miss all of you girls, I had so much fun playing with you! Senior year was by far the best year. Everyone counting down days, hearing back from colleges, and planning senior trips. Four amazing years at Westwood High School in one hundred words...Well, here it goes: Soccer, Westwood track- especially Coach White and squat jumps. Hanging out for countless hours at the Neimanns' and never being able to make decisions. Epic games of street football and tennis baseball-and of course the sewer, which is FAIR. Dance parties with Corey, knocking over my lamppost, and "Corey's Basement Productions." Theater, which I came to love- Festi class, OOTI, and Brigadoon. Football, Basketball, Hockey games and "V-I-C-T-O-O-O-R-Y!" Finally, to my friends: these years wouldn't have been the same without you. To my parents: thank you so much for all your love and support.

During my time at WHS, I participated in Key Club, Academic Decathlon, Cross Country, Indoor, and Outdoor Track. I look upon my time at Westwood High School with great fondness, and I hope future classes will have as much fun as I did at Westwood High.

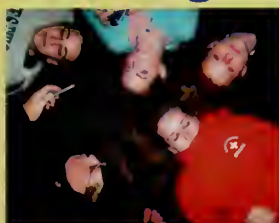

## Veena Dronamraju

As we go on we will remember all the good times we had together...The unit, the brigade and the concentric circle, general awkwardness... Huah, sharing locker 699, telling anyone and everyone our life stories, leg council, Katie's car, "Barnzy's Headin' Back to the Wood" mix, birthday gifts that should have been vetoed (beanbag chair), the candy stash, the Native American dance, the flashcard incident, diversity days (and being stalked for them), List o' Fun, Ms. S' elaborate lectures, unsuccessful attempts to avoid basements, the almost fool-proof universal response to Wayne ... "thanks", teachers family friends...everything.

## Margaret Emerson

To the girls: the number of hours spent at the Flaherty's, lists made, ratings, rooting complexes, aimless miles driven. To my boys: fieldtrips taken, games attended, stages managed, curtains pulled, siblings forged. To the jocks: bascule me, GB3, to dance parties and soul drinks, thanks for welcoming me. To tall boys and lefties, to Busted and to TJB, to Harvey and all my obsessions, mostly to those who put up with me through them. To anyone who's ever been nicknamed by me, I love you. To the tears we've laughed and cried. To singing too loudly. To having a camera in my hand for every minute. To fearlessness.

My favorite teachers have been Mr. Sherr, Mr. Dillon, Mr. McGunagle, Mr. Baylor, and Mr. Shuman. As I leave Westwood High, I wish to be remembered as a considerate and genuine individual who was also a dedicated student. In the end, I undoubtedly owe my memorable experience to my teachers and the staff of WHS, because they molded us into the students we are, and the adults we are set to become.

## Meghan Flaherty

Yelling "Gameday" every Friday in school, the miracle comeback at Bellingham to the biggest upset on Turkey Day at Holliston. "Peacock" during bball warm-ups with Bri-Guy and Richard Bowler and just nesting in Paul's before practice, winning 5 of the last 6 to make state tourney. Chillen every weekend at the pen with mai and pai have been a ball and the countless times me and the Toe went 10-0.

I had a great four years at Westwood. I loved going to the sporting events, and I'm going to miss everyone. I participated in managing the JV boys tennis program. I want to be remembered as a good person and helpful. I wish everyone the best of luck in college and the years following that!

## Jessica Gerson

The teachers of Westwood had a tremendous impact in my four years of high school. I want to remember the teachers and the students of Westwood High. I want to remember my time at Westwood High as a learning experience and as somewhere safe to learn and make mistakes. Everyday at school was not always perfect, but everyday taught me something. I learned how to deal with pressure, stress, people that I may not agree with and talking about controversial topics. I want to be remembered as someone who respected everyone, was a nice person and was always prepared.

## Brent Giacchetto

Staying hours after school in one hobspot or another. Funtimes in the history lab. Photo wars in the history hallway. Pok-ing people in the third rib (it's useless anyway). Spending time outside when it's warm, looking like hippies. Surviving on coffee and energy drinks. Making sure lab partners don't kill themselves during experiments. Remembering good memories from all the years past (including the whale, plankton, and shoelaces!) Some of the worst memories were made here, but they are quickly obscured by some of the best. I'll leave the school and town, but remember to keep all the good memories.

## Katherine Gorman

Good times with the ten. Scavenger hunts, dunesled-ding, Chatham, cheeseburg-er days, Ashworth's pre-AP (ch ch), raiding the candy stash. Avoid the lockers after 2:05. As my time at WHS has come to a close, I have come to realize the memories and people that will truly be missed. The nurse Mrs. Poreda for all her help and guidance through my four years here. The friendships that I will carry in my heart forever. The constant familiar faces of those I grew up with since Martha Jones Elementary school. The crazy Flexers who never gave me a bored moment. The awesome teachers. The fun loving Anime club members. The fact I could never go a day without wearing pink. Also the comeback of Chorus!

It's a fact that seniors like to leave lists of memories in this part of the year-book, and as a tireless bandwagon hopper, I'm inclined to do the same thing - that being the case, I leave everyone with my list of Never Forgets: WHS Anime Club, the Hobo Spot, Anime Boston '06-'08, Friday night movies, DDR tournaments, second place at trivia, awesome cosplay, large amounts of coffee milk, watching all of Fushigi Yuugi, epic sleepovers, amazing birthday parties, and a lesson from Portal - the cake is a lie, but our friendship isn't. M3H made high school most memorable. Although the bond is stretching as two members are off to college and leaving one behind, nothing will ever break the bond of M3H. I'll never forget long beach trips, hours of pointless driving, sleepless nights hyped up on soda and videogames, continuous weekends invading the Frank basement, schooling the TVL with the basketball team, gogs, "fue", 7, ekans, RATN's, B-Macs fleas, mmhmm, ni, ken, and the unforgettable moments leaving us in pain after hours of laughter. My high school experience defines "chillin' out maxin' relaxin' all cool and all shootin' some bball outside of the school."

## Meagan Ryan

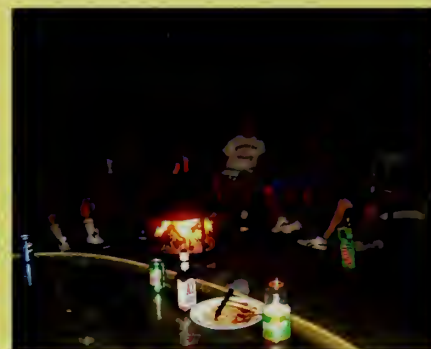

When I look back on the past 4 years here at WHS, many things come to mind. What I remember most significantly is probably all the work, but what I will never forget is all the good times I've had, the friends I've made, and the challenges I've put myself up to. I know I will always think of and remember my experiences at WHS as learning and growing opportunities, and leaving WHS I hope to be thought of and remembered as a good friend, a caring individual, and dedicated student.

## Nick Ventola

When looking back on my High School experience, it all seems like it started yesterday. I had many good times, but it all blurs together. The one thing that I can remember is my friends. I made a lot of new friends in High School, tried many new things, and learned a lot. It's my friends that stand out the most. They gave me strength when I needed it, and were there for the good times and the bad. I can't wait to see what the future brings and what new friendships will form.

## Tom Visconti

Thank you all for four fantastic years: bloump! Halo, track freshman year, the hack-circle, skateboarding, math and science team meets, hanging at the Geers'. Senior year awesomeness: The Wolverine Den, Medea, Brigadoon - wearing kilts, the man chant, warm ups, my randomly accurate Scottish accent. Prom Fashion Show glory, "Robotics," bashing Pflanz in Engineering, pickup football, bowling, lacrosse. Good luck to you all, I hope you live it up while you can - Carpe diem. May Westwood Boys Lacrosse dominate in the future. A tout le monde A tout les amis Je vous aime Je dois partir

## Connor Walsh

# 10 Wolverine Football. Unbelievable times- Bellingham '06, '07. Turkey Day - Holliston '06, '07. Doing work at Flahive Field. Pregame Speeches. Friday nights under the lights at Flahive. Sunday catch with Granny. Wolverine Baseball with Skip Whalen- great times louting in the outfield. The Bros; Granny, JJ, and Red love you boys. BEH. "Sophomore year memories." LOST. Pats games with Creech. Tom Brady. The Vanderbilt Club. Thank you Julie for the great memories. Thank you Mom, Dad, Chris, Ryan, and Michael for the support and always being there love you guys. Best of luck to all the future Wolverines.

## Elisa Walsh

"Lives, like money, are spent. What are you buying with yours?" Garima and twins (the triumvirate), Katerina, Catherine, M, Marjory, Martha, Rebecca, Nick, Lisa. XC 9-11, track 9-12, Ecolibrium 11-12, Anime Club 10-12, Science Team frequenter-if-not-member, Hobo Spot (and accompanying journal), Friday night movies, getting lost in Harvard Square, Bubbling Brook vs. Coldstone, epic crutch battle of Perseus vs. sea monster, "class-confined case of narcolepsy," Chemistry tutoring with Plunkett, Latin with Roy, English Lit. with Kelsch, Art History with Kaiser, "Skeeeetchfest," waaaay too many AP courses. Good times in Westwood, but off to better (and warmer) places.

## Rachel Watsky

I'll always remember: Science Team, Anime Club, the Hobo Spot, hanging in the History Study Lab, hanging with my teachers in their respective rooms after school, having inside jokes with Mr. Dore, being in Ms. Donahue's fan club and getting bitten during AP US, being the only juniors in Mr. Geary's AP Bio class, Latin classes with Ms. Roy, and now with Dr. Zarrow (that's an education...). I'll always laugh when I remember Piano Lab, with all of its insanity. I'll remember the old school (though that's something that should be forgotten...) Good luck to all who come after!

## Lizzy Watsky

What can I say? Westwood High School is so unique! I'll always remember classes like AP Euro with Mr. Dore jumping off desks to explain Sir Isaac Newton, APUS with Ms. Donahue, and Mr. Geary telling APBio kids to "play like amoebas and split" into groups. Latin has been so amazing, under both Ms. Roy and Dr. Zarrow. I'll never forget Dr. Earls convincing our entire English class that his doctorate was in Meteorology (it's in English, F.Y.I.) WHS is a class in and of itself. I'll never forget my experiences here and the friends I made along the way.

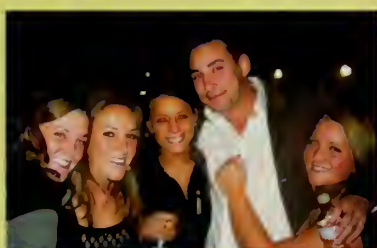

## Tom Weinreich

Faneuil Hall in the snow with Jazz Band. Getting snowed in at the parking lot after Science Team. "Studying" for chem tests. Ms. Donahue talking about the South. Frisbee on the front lawn. Hacky sack in the auditorium lobby. Latin caroling. Running laps in the hallways. Never (well, rarely) a boring moment. Thanks, WHS.

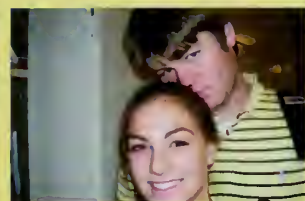

## Lindsay Weitzman

Friday afternoons at Lal's house, snoopers '05, Penido's, beach trips, Powderpuff Dynasty, the tramp (RIP), WWsoccer07, Ms. S's lectures, Poland Spring (ruins lives!), Robin's drawer, getting Chinese during triple, GOYA, playing categories, shuggle bunnies, the "late bus", seniorita, love letters, BSA-Fellow08...LS.KP.JL.MT.AS.

## Jay Whalen

I remember most all the good times and people. Football Holliston Friday night games and stations. Lacrosse all the losses and the few times we won. The lair geeking out. All of the times hanging out with Kristen. All the long nights. Dora. Canton. Free blocks in the booth. All the amazing people I have grown up with and will never forget. It all went by way too quickly. LEGENDS. "Here's to the nights we felt alive. Here's to the tears you knew you'd cry. Here's to goodbye. Tomorrow's gonna come too soon"

## Matt White

Christies parking lot, good old hull, Garry Garcia, canton... Dora, Vega, The Bucket List, The Legends, Fifa Hall, Presidential Ball, Cheez-IT, 139 Ellis Street, good bye to all high school sports, seniors attendance. Sped, mahoneys, and turkey day.

## Al Wisialko

Mr. Shuman coaching JV Golf, Jack O'brien winning the hackfest, free blocks with Jake Tucke, Alex Scott, G-Ach, Devon Zaza, Jessica Johnson, "Tomaccco" in stats class with Krystal, Sundays at the races with Jake Tucke watching the 21 car, Kenny Chesney concerts and Brackman's English class have been great memories at WHS. Jake Tucke-my best friend through good and bad times. Some of the greatest moments of my life during the past four years. I want everyone to remember me as "WIZZ".

## Kristen Wissmar

I'm going to miss my friends and my daily routine at WHS, even waking up early.

## Jesse Wolf

Wiffle ball, Dibble, ATAWEAW, the original MJFL, and many, many more...

## Stephen Wright

"You may say that I'm a dreamer, but I'm not the only one." PJ Game, Wo-Town, OOTI, "For Scotland!"; Metamorphoses, Camino, Medea. OH's class; Brice, Un Monde Parfait, et les autres chansons; Ms. Donahue's sarcasm; Stephen Crane, Randall Jarrell, and Anne Sexton; Moby Dick. Guitar Hero, Rock Band. Ponkie. Montreals. Beach party, "yes!" Cinco de Mayo. Wendy's, dance parties. Coaching frosh baseball. Calc. F Block Free! To my friends - you are forever a part of me. Thank you. "We few, we happy few, we band of brothers; for he today that sheds his blood with me shall be my brother..."

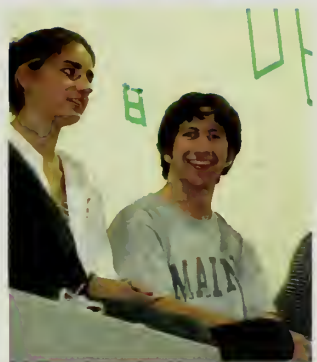

## Roland Zhou

It's the end of the beginning, and the beginning of the end. We always wished these years would go by faster, but now we'd give anything to have them back. We will never be as

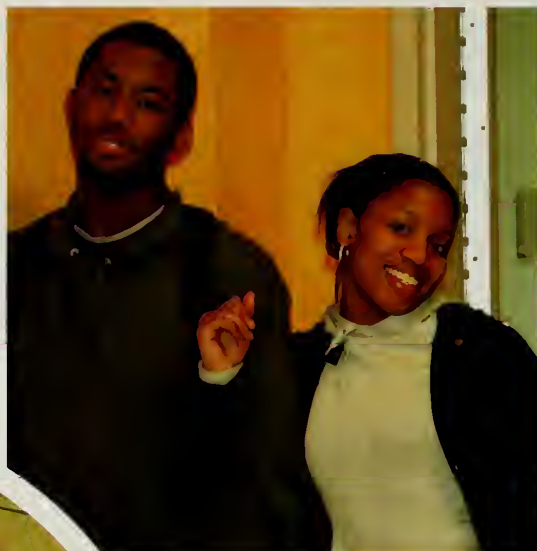

free or happy as we are now. We might never have breakfasts at Ann's again, or pickup football on Sundays, or building bridges in the project lab for hours, or sledding, bowling, or driving around looking for things to do. The memories of us will fade from the minds of others, but never from our own. You stay classy, Westwood High.

# SENIOR CRUISE

The Class of 2008 Kicked-off Senior Week with a semi-formal boat cruise around Boston Harbor on the luxurious, "Spirit of Boston." After enjoying the buffet on the spacious and private mid-level dining deck, many students went to the top deck to take in the warm winds and the glorious view. Mid-trip, the Yearbook Staff announced the names of the Senior Superlative recipients, and, as the boat headed back to dock, The Class of '08 worked the dance floor.

Mikey Walsh the # 10 and the Walsh legacy. James Berluti and Mikey Fafara Flahive Field. Julie a great senior

year. Max Smith my 15 yard penalties. • I, Elisa Walsh, leave the title "Freshman" to Joshua Cheung; the state of Massachusetts to everyone staying in state; doodling in class to Emily Bailaikis; and rampant insomnia (and coffee addiction) to incoming seniors crazy enough to take five APs. • I, Elizabeth Watsky, leave the hobo spot and journal to Lisa, anime club to our beloved freshman, and my possessed locker to the poor doomed frosh who gets it next year. May our jokes never die! • I, Rachel Watsky, leave the hobo spot and journal to my hobo spot co-ven (Lisa), the responsibility to take on freshmen to my freshman, Sabrina, and the responsibility to take care of themselves to my "daughters," Brianna, Shannon, and Katherine. • I, Lindsay Weitzman, leave Malek Sayegh Lal's car, Katie Aries and Corrinne Wells car rides to/from practice and the 08 soccer team all of my boyfriends (!). • I, Tom Weinreich, leave my hair to Lisa; the math team to Tony; lunchtime frisbee to Scott, Will, and CST; and my hurdling skills to Burton, Pondy, and Mad Dog. • I, Stephen Wright, leave to Mary, "Ma-ry Mc-Donnell!"; to Becca McClellan, "Becca Mac!"; to the freshman baseball team, three more years of good baseball and fun times; to the hockey team, many more Mon-treals; and to Danielle, my red bandana, Milanos, and fond memories. • I, Jay Whalen, leave Mikey the O and D line. Luda I leave Little Boot and the lacrosse team. I leave Molly Banis the Booth. • I, Anna Whelan, leave lane 1 to Erin, Maddie, and Annie. Saturdays with "That Girl" and seizures in the pool to Molly. Trips to COSTCO with Kara, the French horn section to Melanie, and morning car rides and cellphone girl to Michelle, Erin, and Ani. • I, Kristen Wissmar, leave Margaret Moylan Spanish club and trips to Essex, leave Margaret Moylan and Steph Greeley nights at Mika's, Mexican cuisine and lawn shopping. • I, Al (Wizz) Wisialko, leave my brother Joe (Moj) Wisialko a place on the JV Golf team for the next 2 years. I leave Spanish with Ducheneau to Moj and Nick. Let the Wizz legacy continue with my brothers Moj and Nick. This is the best time of your life, enjoy it. • I, Jesse Wolf, leave the "Deet Circle" to whomever it may apply. You know who you are. I leave car rides with "The General" playing an excessive amount of times to Colleen, my best friend, and future college buddy.

# Layal Sayegh

Your children are not your children. They are the sons and daughters of life's longing for itself. They come through you but not from you. You may give them your love but not your thoughts. For they have their own thoughts. You may house their bodies but not their souls, for their souls dwell in the house of tomorrow, which you cannot

visit, not even in your dreams. You may drive to be like them, but seek not to make them like you. For life goes not backwards nor carries with yesterday.

Layal,  
We are so proud of you and  
look forward to your further  
achievements.

*Cian,*

You have grown from a little boy to a handsome young man. Where have the years gone? As we watched you grow, you have developed into a loving, kind, caring human being, a great son and brother. Through your talents you have achieved many goals and still strive at being your best. That's what makes us so proud of you. You've been a great role model to many people who have admired you for your dedication. As you come to the end of your high school years and head on your next path to college, appreciate those times you had with WHS teachers and friends and let the memories take you onto your next journey to another road of happiness and life's accomplishments.
